

Valir Health, a rapidly growing healthcare company, is seeking to build upon our wonderful teams of therapists already located in various skilled nursing facilities in Oklahoma, Colorado and Texas.

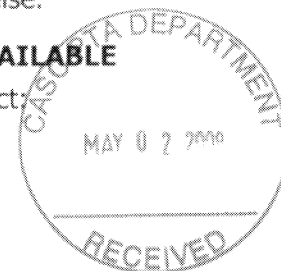

We are looking for therapists who are eager to grow with us and who want to help us establish a higher standard in healthcare.

Valir offers excellent benefits including competitive wages, opportunities for advancement, unique and efficient documentation and billing software, continuing education, and a family atmosphere that puts patient care and doing the right thing above all else.
