Notation:

¹Students should select courses that apply to the degree program found at the college to which they will transfer.

²MATH 1413 is Math Pathways requirement. However, student should consider the math requirement of the transfer institution.

Students are required to complete General Education and Major Requirement courses leading to this degree. Students who complete this associate's degree are prepared to transfer and continue their education at a four-year college/university. Students should consult with their academic advisor and refer to the 4-semester by semester program planning guide to understand course sequencing.

Semester by Semester Degree Plan
General Studies, AA (039)

<i>Graduation Requirements: Minimum 63-64 cr-hrs, 2.00 Ret/Grad GPA, 15 Resident cr-hrs</i>	
Total Hours: 63-64	

Note: Students should select appropriate General Education Electives and Electives appropriate to major and interest. Students should complete a 15 - 16 cr-hrs per semester to graduate in two years.

How to Use this “Semester by Semester Degree Plan”: Courses in this semester by semester breakdown are listed with several thoughts in mind. Prerequisites are listed first. Science, math, and major coursework are listed in order the course should be taken and in what term the course should be taken. Students should enroll into ORI 1111 and ENGL 1113, and any development courses in the first term. Courses listed in parenthesis are selections from which a student may choose. Enrollment into developmental courses will add to the total credit hour count, and may alter math and science enrollment rotations. -- While this is a guide to help the student with pre-enrollment, a study of the Course Schedule and a visit with an academic advisor is a must.

Estimated Program Cost: Students can complete this degree in four semesters (15-16 per semester).

The estimated cost of this program is approximated at: $63 \text{ credit-hours} \times \$127.25 \text{ per credit hour} = \$8,016.75$ (Please know that this cost does not include textbooks, supplies, developmental coursework, and other expenses, and is designed as an ESTIMATE only). Actual program cost is based on Fall 2019 in-state tuition amounts and the final costs will vary from this estimate.
