

OFFICE OF THE PRESIDENT
Dr. Jay Falkner

June 10, 2020

Faculty and staff members,

Campus leadership continues to evaluate the developments of the COVID-19 pandemic and make responsible decisions for the well-being of our entire Carl Albert community. At this time, campus facilities are still closed to the public and will remain that way until July 1. Protocols will be re-evaluated leading up to that date. To be clear, summer courses will remain completely online.

As previously stated, factors concerning the fall 2020 semester are also being considered. Carl Albert's plan has not been announced, but the Cabinet leadership is evaluating all factors, possibilities, and best practices to determine the safest, yet most productive, manner of instructional delivery for the upcoming fall semester.

We ask that you remain aware of safety protocols already in place, and feel free to reach out anytime with any questions or concerns.

The leadership team will continue to monitor the situation closely, make sound decisions based on the most accurate data available, and communicate effectively to ensure safety and success. Thank you for your continued patience and flexibility, and for working hard to provide the highest level of education possible!

Sincerely,

A handwritten signature in black ink that reads 'Jay Falkner'.
