

Advanced Placement (AP)

CASC awards credit for most AP exams with a minimum test score of 3. Scores of 4 or higher indicate additional credit awards. Credit is awarded to students enrolled at CASC or eligible to enroll, and after completion of 12 credit hours with CASC. Course subjects must be available for completion at CASC for credit award. Students must submit official AP Test results to the Admissions Office. AP credit is posted to the CASC transcript with the appropriate CASC course number as "P" grade.
