CASC awards credit on most CLEP exams with a minimum test score of 50 and for subjects available for completion at CASC. To receive credit, students must be enrolled or eligible to enroll at CASC, and submit official CLEP test results to the Office of Admissions. To schedule a test, students first pay test fee at CASC Business Office and schedule a CLEP exam with test administrator located in the Joe E. White Library, CASC Poteau campus (918-647-1310).

Credit is awarded to students enrolled at CASC and after completion of 12 credit hours with CASC. Course subjects must be available for completion at CASC for credit award. Students must submit official CLEP test results to the Admissions Office. CLEP credit is posted to the CASC transcript with the appropriate CASC course number as "P" grade.
