Prepared 9/20/2021	<b>Total</b>				<b>321.00</b>

Student is responsible for TOTAL cost after waiver is applied. In the Fall 2021 semester, fees may be funded by donation dollars to further reduce student obligation.

If course is taken on-campus, the FEE Web Courses is not valid and therefore reduces the obligation from \$321.00 to \$177.00. While most courses have a specified Fee Course, the \$50 per course charge general applies. A review of the Tuition & Fees Chart for 2021-2022 will specify the Fee per course.
