Notations:

- <sup>1</sup> MATH 1513 is recommended. However, student should consider the math requirement of the four-year transfer institution.
- <sup>2</sup> BUS 2123 is a required course in Business Administration option, but may be used to meet the General Education math requirement.
- <sup>3</sup> ACCT 2103 is prerequisite for ACCT 2203. ECON 2113 is prerequisite for ECON 2213.
- <sup>4</sup> BIO 1114, GPS 1214, MATH 1413, and MATH 2123 apply toward completion of the Associate of Arts Degree.

Carl Albert is a part of a network of colleges participating in a unique initiative to increase the number of associate degree holders in Oklahoma. Known as REACH HIGHER, the adult working student may be admitted to this new program venture when at least 15 hours of college credit and all remedial coursework has been completed, and maintain a 2.00 GPA earned. Students must submit all college transcripts to the REACH Advisor for evaluation of transfer credit. Other Oklahoma college's coursework will be treated as CASC coursework. - - - Our goal is met with your graduation!

Please note that courses for this program are available at the MAIN campus in Poteau, Oklahoma. Note that some courses may not be available at the Sallisaw campus; most courses are available online with CASC. Courses specified in this degree program may be completed at other Oklahoma colleges offering the Enterprise Development degree and will transfer to CASC in the completion of this degree. Students should check with their advisor about course offerings and availability, or follow the AA in Business Administration or General Studies "Semester-by-Semester Degree Plan" course sequencing recommendations as appropriate.
